## About

This indicator is the percentage of citizens who visited a physiotherapist at a private clinic in the last 12 months.

## Source

Primary Health Survey and Primary Care Survey

## Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: Have you visited any of the following health professionals at a private clinic or centre in the last 12 months:  
Physiotherapist
