About

This indicator is the percentage of citizens who strongly agree that staying healthy is a matter of luck more than anything else.

Source

Primary Health Survey and Primary Care Survey

Calculations

This indicator is calculated by dividing the number of respondents who answered "strongly agree" by the number of respondents who answered "strongly disagree, disagree, neutral, agree or strongly agree" to the question: I think staying healthy is a matter of luck more than anything else.

Unit	Interpretation	NBHC code
%	Lower is better	PH_BELML_1
