Disability or special need			
Disability or special need	30.7	n/a	n/a
Racialized groups			
Racialized groups	26.0	n/a	n/a

#### **About**

This indicator is the percentage of students in grades 6 to 12 who are overweight or obese (based on self-reported height and weight).

#### Source

Student Wellness and Education Survey - Grades 6-12

### **Calculations**

This indicator is calculated by dividing the number of respondents who "have a BMI higher than an age/gender specific cutoff" by the number of respondents who "give their height and their weight". The BMI is obtained by dividing the weight in kilograms by the height in square metres. Conversions are applied to obtain the correct unit of measure from the following questions: How much do you weigh without your shoes on? And how tall are you without your shoes on?

#### **Notes**

This indicator has replaced SH\_BMI02\_3, which was previously available on our Web site, due to changes in our calculation methodology for the 2021-2022 edition of the questionnaire. Users are advised to exercise caution if comparing data from the community of Grand Bay-Westfield, Westfield, Greenwich Area to other New Brunswick communities. The data for the community of Grand Bay-Westfield, Westfield, Greenwich Area is based on students in grades 6 to 8, while data from the other communities are based on students in grades 6 to 12. Survey results are assigned to communities based on the location of the school. The community of Grand Bay-Westfield, Westfield, Greenwich Area does not have any schools with grades 9 to 12.

Unit Interpretation NBHC code
% Lower is better SH\_BMI03\_1
