About

This indicator is the percentage of students in grades 6 to 12 who reported having told an adult at the school about the bullying [among those who reported they saw or heard another student being bullied].

Source

Student Wellness and Education Survey, Grades 6-12

Calculations

This indicator is based on respondents who saw or heard another student being bullied. This indicator is calculated by dividing the number of respondents who answered "I told an adult at the school about it." by the number of respondents who answered at least one of the following "I ignored it, I stood up to the bully or fought back, I tried talking to the bully, I told an adult at the school about it, I told my parents/guardians or another adult outside of school about it, I told another student about it, I tried to help the person being bullied or I did something else" to the question: Think of the last time you saw or heard another student being bullied. What did you do?
