About

This indicator is the percentage of students in grades 6 to 12 who report telling their parents/guardians or another adult outside of school about the bullying the last time they were bullied [among those who have been bullied].

Source

Student Wellness and Education Survey - Grades 6-12

Calculations

This indicator is based on respondents who have been bullied. This indicator is calculated by dividing the number of respondents who answered "I told my parents or another adult outside of school about it" by the number of respondents who answered at least one of the following "I ignored it, I stood up to the bully or fought back, I tried talking to the bully, I told an adult at the school about it, I told my parents/guardians or another adult outside of school about it, I told another student about it, I called a helpline or other support service or I did something else" to the question: Think of the last time you were bullied. What did you do?
