About

This indicator is the percentage of students in grades 6 to 12 who report never eating a meal while using an electronic device in the last 7 days.

Source

Student Wellness Survey - Grades 6-12

Calculations

This indicator is calculated by dividing the number of respondents who answered "never" by the number of respondents who answered "never, 1-2 times, 3-4 times, 5-6 times or 7+ times" to the question: In the last 7 days, how many times did you: b) Eat a meal while using any electronic device, such as a smartphone, computer, tablet, video game console or TV?

Notes

Users are advised to exercise caution if comparing data from the community of Grand Bay-Westfield, Westfield, Greenwich Area to other New Brunswick communities. The data for the community of Grand Bay-Westfield, Westfield, Greenwich Area is based on students in grades 6 to 8, while data from the other communities are based on students in grades 6 to 12. Survey results are assigned to communities based on the location of the school. The community of Grand Bay-Westfield, Westfield, Greenwich Area does not have any schools with grades 9 to 12.
