No special need	15.6	15.4

**About**

This indicator is the percentage of students in grades 6 to 12 who report spending 2 hours or less of screen time, weekends

**Source**

Student Wellness Survey - Grades 6-12

**Calculations**

This indicator adds the responses to the following 3 individual questions: Question #1 'Playing games on an electronic device (not including moving or fitness games)? Weekends', question #2 'Watching TV, movies or videos (including YouTube and similar services) on any type of screen? Weekends' and question #3 'Using electronic devices for other purposes like: social media, chatting, instant messaging, emailing or surfing the Internet? Weekends'. The response options for these 3 individual questions are: '0. None at all, 1. About half an hour a day, 2. About 1 hour a day, 3. About 2 hours a day and 4. About 3 or more hours a day'. This indicator is calculated by dividing the number of respondents who have a total combined response of '2 hours or less' by the number of respondents who answered at least 1 of the 3 individual questions, after changing the response scale, to a proportional scale of hours.

**Notes**

Users are advised to exercise caution if comparing data from the community of Grand Bay-Westfield, Westfield, Greenwich Area to other New Brunswick communities. The data for the community of Grand Bay-Westfield, Westfield, Greenwich Area is based on students in grades 6 to 8, while data from the other communities are based on students in grades 6 to 12. Survey results are assigned to communities based on the location of the school. The community of Grand Bay-Westfield, Westfield, Greenwich Area does not have any schools with grades 9 to 12.
