## About

This indicator is the percentage of students in grades 6 to 12 who reported that they strongly agree or agree that most people around here would try to take advantage of you if they got the chance.

## Source

Student Wellness and Education Survey, Grades 6-12

## Calculations

This indicator is calculated by dividing the number of respondents who answered "agree or strongly Agree" by the number of respondents who answered "strongly disagree, disagree, neither agree nor disagree, agree or strongly agree" to the question: How do you feel about these statements about the area where you live? f) Most people around here would try to take advantage of you if they got the chance.
