About

This indicator is the percentage of citizens receiving home care services from home support workers who reported that the services started as soon as they thought they needed them.

Source

Home Care Survey

Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: Did home care services start as soon as you thought you needed them?

Unit	Interpretation	NBHC code
%	Higher is better	HS_ACC01_1
