About

This indicator is the percentage of citizens receiving home care services from home support workers who reported that the staff always treated them as gently as possible in the last 2 months

Source

Home Care Survey

Calculations

This indicator is calculated by dividing the number of respondents who answered "always" by the number of respondents who answered "never, sometimes, usually or always" to the question: In the last 2 months, how often did home support workers do each of the following: treat you as gently as possible?
