## About

This indicator is the percentage of citizens receiving home care services from home support workers who reported that the staff always listened carefully to them in the last 2 months.

## Source

Home Care Survey

## Calculations

This indicator is calculated by dividing the number of respondents who answered "always" by the number of respondents who answered "never, sometimes, usually or always" to the question: In the last 2 months, how often did home support workers do each of the following: listen carefully to you?
