About

This indicator is the percentage of citizens receiving home care services from home support workers who reported that they believe they were harmed because of an error or mistake as a result of services received in the last 12 months.

Source

Home Care Survey

Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: In the last 12 months, do you or your family members believe that you were harmed because of an error or mistake as a result of home support services?

Unit	Interpretation
%	Lower is better
