About

This indicator is the percentage of citizens receiving home care services from home support workers who reported that they prefer to receive services in French.

Source

Home Care Survey

Calculations

This indicator is calculated by dividing the number of respondents who answered "French" by the number of respondents who answered "English, French or no preference" to the question: Under the Official Languages Act, you have the right to be served in either English or French. Of these two languages, which is your preference when receiving services?
