## About

This indicator is the percentage of citizens receiving home care services from home support workers who reported that when they first started receiving services, someone offered them services in the official language of their choice (English or French).

## Source

Home Care Survey

## Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: When you first started receiving home care services, did someone offer to give you these services in the language (English or French) of your choice?
