About

This indicator is the percentage of citizens receiving home care services from home support workers who reported that there were limits or reductions in the duration of services or the number of hours available in the last 12 months.

Source

Home Care Survey

Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: In the last 12 months, have you needed home support services, but there were limits or reductions in the duration of services or the number of hours available?

Unit	Interpretation	NBHC code
%	Lower is better	HS_PGMLH_1
