About

This indicator is the percentage of citizens receiving home care services from home support workers who reported that they received the following services in the last 2 months: Help with errands such as shopping, banking or doctor's appointment.

Source

Home Care Survey

Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: Have you received any of the following services from a home support worker in the last 2 months? Please check all that apply: Help with errands, such as shopping, banking or doctor’s appointment
