## About

This indicator is the percentage of citizens receiving home care services from home support workers who reported that they received the following services in the last 2 months: Help with errands such as shopping, banking or doctor's appointment.

## Source

Home Care Survey

## Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: Have you received any of the following services from a home support worker in the last 2 months? Please check all that apply: Help with errands, such as shopping, banking or doctor's appointment
