### About

This indicator is the percentage of citizens receiving home care services from a home support worker who reported that they received the following services in the last 2 months: meal preparation.

### Source

Home Care Survey

### Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: Have you received any of the following services from a home support worker in the last 2 months? Please check all that apply: Meal preparation

### Notes

The 2021 edition of the Home Care Survey was conducted during the COVID-19 pandemic. While the pandemic did not influence the survey's response rate, users are advised to use the survey data with caution, especially when creating estimates for small sub-populations or when comparing it to other editions of the survey.
