About

This indicator is the percentage of citizens receiving home care services from home support workers who reported that they received the following services in the last 2 months: Respite care (relief to family caregivers who help them).

Source

Home Care Survey

Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: Have you received any of the following services from a home support worker in the last 2 months? Please check all that apply: Relief to family, friends or volunteers who help you with your home care
