About

This indicator is the percentage of citizens receiving home care services from the Extra-Mural Program who reported that there was a time in the last 12 months when the staff did not take their spiritual or cultural values into account.

Source

Home Care Survey

Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: In the last 12 months, was there a time when Extra-Mural staff did not take your spiritual or cultural values into account?

Unit Interpretation NBHC code
