About

This indicator is the percentage of citizens receiving home care services from more than one person from the Extra-Mural Program who reported that they never received conflicting information from different staff in the last 2 months.

Source

Home Care Survey

Calculations

This indicator is based on respondents who receive services from more than one person. This indicator is calculated by dividing the number of respondents who answered "never" by the number of respondents who answered "never, sometimes, usually or always" to the question: In the last 2 months, how often have you received conflicting or different information from different Extra-Mural staff?

Unit	Interpretation	NBHC code
