## About

This indicator is the percentage of citizens receiving home care services from the Extra-Mural Program who rate their mental or emotional health as excellent or very good.

## Source

Home Care Survey

## Calculations

This indicator is calculated by dividing the number of respondents who answered "excellent or very good" by the number of respondents who answered "poor, fair, good, very good or excellent" to the question: In general, how would you rate your overall mental or emotional health?
