### About

This indicator is the percentage of citizens receiving home care services from the Extra-Mural Program who reported that when they first started receiving services, someone from the program offered them services in the official language of their choice (English or French).

### Source

Home Care Survey

### Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: When you first started receiving home care services from the Extra-Mural Program, did someone from the program offer to give you these services in the language (English or French) of your choice?
