## About

This indicator is the percentage of citizens receiving home care services from the Extra-Mural Program who reported that there were limits or reductions in the types of services available in the last 12 months.

## Source

Home Care Survey

## Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: In the last 12 months, have you needed Extra-Mural services, but there were limits or reductions in the types of services available?
