About

This indicator is the percentage of citizens receiving home care services from the Extra-Mural Program who would definitely recommend this program to their family or friends if they needed home care services.

Source

Home Care Survey

Calculations

This indicator is calculated by dividing the number of respondents who answered "definitely yes" by the number of respondents who answered "definitely no, probably no, probably yes or definitely yes" to the question: Would you recommend this program to your family or friends if they needed home health care?

Unit	Interpretation	NBHC code
%	Higher is better	XM_PGMRE_1
