About

This indicator is the percentage of citizens receiving home care services from the Extra-Mural Program who reported that their family doctor or nurse practitioner seemed informed and up-to-date about their home care services.

Source

Home Care Survey

Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: Does your personal family doctor or nurse practitioner seem informed and up-to-date about your home care services?
