## About

This indicator is the percentage of citizens receiving home care services from the Extra-Mural Program who reported that when they first started receiving services, someone from the program talked with them about how to set up their home so they could move around safely.

## Source

Home Care Survey

## Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: Did someone from the program talk with you about how to set up your home so you can move around safely?
