About

This indicator is the percentage of citizens receiving home care services from the Extra-Mural Program who reported that they received services from an occupational therapist in the last 2 months.

Source

Home Care Survey

Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: Have you received home care services from any of the following health professionals in the last 2 months? Occupational therapist
