### About

This indicator is the percentage of citizens receiving home care services from the Extra-Mural Program who reported that they received services from a speech language pathologist in the last 2 months.

### Source

Home Care Survey

### Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: Have you received home care services from any of the following health professionals in the last 2 months?  
Speech language pathologist
