## About

This indicator is the percentage of students in grades 4 and 5 who report they have been bullied by exclusion (for example, being left out of things on purpose, being excluded from a group of friends or completely ignored) in the last two months.

## Source

Department of Education and Early Childhood Development

## Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: In the last two months, have you been bullied at school in the ways listed below? d) Exclusion (for example, being left out of things on purpose, being excluded from a group of friends or completely ignored).

## Notes

This indicator is based on a survey question for students in New Brunswick's Anglophone schools. Survey results are only available for the Anglophone sector and Anglophone school districts.
