**About**

This indicator is the percentage of students in grades 4 and 5 who report their teacher gave them a chance to explain their thinking at least once or many times each day.

**Source**

Department of Education and Early Childhood Development

**Calculations**

This indicator is calculated by dividing the number of respondents who answered "at least once every day or many times each day" by the number of respondents who answered "not at all, one or twice, on most days, at least once every day or many times each day" to the question: In the past two weeks, how often did the following things happen in school? c) The teacher gave me a chance to explain my thinking

**Notes**

This indicator is based on a survey question for students in New Brunswick's Anglophone schools. Survey results are only available for the Anglophone sector and Anglophone school districts.
