### About

This indicator is the percentage of students in grades 6 to 12 who report they were not bullied, including online bullying.

### Source

Department of Education and Early Childhood Development

### Calculations

This indicator is calculated by dividing the number of respondents who selected "I have not been bullied" by the "total number of respondents" to the question: If you were bullied, including online bullying, when did it happen most often: I have not been bullied, before school, during classes, between classes, during recess or lunch, during extra-curricular activities (for example, sports, clubs), after school or please specify.

### Notes

This indicator is based on a survey question for students in New Brunswick's Anglophone schools. Survey results are only available for the Anglophone sector and Anglophone school districts.
