About

This indicator is the percentage of students in grades 6 to 12 who report they were bullied, including online bullying, before school.

Source

Department of Education and Early Childhood Development

Calculations

This indicator is calculated by dividing the number of respondents who selected "before school" by the "total number of respondents" to the question: If you were bullied, including online bullying, when did it happen most often: I have not been bullied, before school, during classes, between classes, during recess or lunch, during extra-curricular activities (for example, sports, clubs), after school or please specify.

Notes

This indicator is based on a survey question for students in New Brunswick's Anglophone schools. Survey results are only available for the Anglophone sector and Anglophone school districts.
