Calculations

This indicator is calculated by dividing the number of respondents who answered "most of my classes or nearly all of my classes" by the number of respondents who answered "it didn't happen at all, hardly any classes, a few of my classes, most of my classes or nearly all of my classes" to the question: In the past two weeks, how often have you noticed the following in your classes? i) I understood what was taught.

Notes

This indicator is based on a survey question for students in New Brunswick's Anglophone schools. Survey results are only available for the Anglophone sector and Anglophone school districts.
