About

This indicator is the percentage of students in grades 6 to 12 who reported they are in the English Program (English Prime).

Source

Department of Education and Early Childhood Development

Calculations

This indicator is calculated by dividing the number of respondents who answered "English Program" by the number of respondents who answered "English Program or French Immersion" to the question: What program are you in?

Notes

This indicator is based on a survey question for students in New Brunswick's Anglophone schools. Survey results are only available for the Anglophone sector and Anglophone school districts.
