## About

This indicator is the percentage of students in grades 6 to 12 who reported the work they are given at school is just right.

## Source

Department of Education and Early Childhood Development

## Calculations

This indicator is calculated by dividing the number of respondents who answered "just right" by the number of respondents who answered "too hard, a little hard, just right, a little easy or too easy" to the question: The work I am given at school is....

## Notes

This indicator is based on a survey question for students in New Brunswick's Anglophone schools. Survey results are only available for the Anglophone sector and Anglophone school districts.
