**About**

This indicator is the percentage of students in grades 6 to 12 who reported they agree or strongly agree that they feel they can tell adults at their school when bullying happens.

**Source**

Department of Education and Early Childhood Development

**Calculations**

This indicator is calculated by dividing the number of respondents who answered "agree or strongly agree" by the number of respondents who answered "strongly disagree, disagree, neither agree nor disagree, agree or strongly agree" to the question: What do you think of the following statements about how your school handles bullying? b) There is a safe process for reporting bullying.

**Notes**

This indicator is based on a survey question for students in New Brunswick's Anglophone schools. Survey results are only available for the Anglophone sector and Anglophone school districts.
