About

This indicator is the number of parents or guardians who participated (grades K-5).

Source

Student Wellness and Education Survey, Grades 4-5

Calculations

Not available

Notes

Due to the very low response rate for the 2023-2024 parent questionnaire, survey results are deemed to be not representative of the overall student and parent population. Therefore, results at the school, district, sector, and provincial levels are not to be used for planning or comparing to previous editions of the survey. Some schools will not receive their K to 5 results due to the extremely low number of parents who responded.
