## About

This indicator is the percentage of acute care patients who reported that they were harmed due to a medical error or mistake.

## Source

Hospital Acute Care Survey

## Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: Do you or your family members believe that you were harmed because of a medical error or mistake during this hospital stay?

Unit	Interpretation	NBHC code
%	Lower is better	AC_ERR01_1
