About

This indicator is the percentage of citizens who reported that their primary care provider is located in the same city or town as them.

Source

Primary Health Survey and Primary Care Survey

Calculations

This indicator is based on respondents who have a family doctor or a nurse practitioner. This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: Is your family doctor or your nurse practitioner located in the city or town where you live?
