About

This indicator is the percentage of citizens who reported that they were somewhat or very satisfied with the health care services that they received in the last 12 months.

Source

Primary Health Survey and Primary Care Survey

Calculations

This indicator is calculated by dividing the number of respondents who answered "somewhat satisfied or very satisfied" by the number of respondents who answered "very dissatisfied, somewhat dissatisfied, neither satisfied nor dissatisfied, somewhat satisfied or very satisfied" to the question: In general, what is your level of satisfaction with health care services you have received in New Brunswick in the last 12 months?

Unit	Interpretation	NBHC code
