About

This indicator is the percentage of citizens who reported that their last virtual consultation was with Tele-Care 811.

Source

Primary Health Survey and Primary Care Survey

Calculations

This indicator is based on respondents who had a virtual care consultation in the last 12 months. This indicator is calculated by dividing the number of respondents who answered "Tele-Care 811" by the number of respondents who answered "my personal family doctor, my personal nurse practitioner, a doctor or nurse practitioner using Health Link NB, a doctor or nurse practitioner using eVisitNB, a mental health professional, a specialist, a doctor or nurse at a specialty clinic, Tele-Care 811 or an other health professional" to the question: Thinking of the last time you had a virtual consultation with a health professional, who did you consult?
