#### **About**

This indicator mesures the number of all procedures that are waiting longer than one year to be completed, as of the last reported day of quarter. The number of procedures reported are a subset of those from the indicator "number of surgeries waiting to be completed". Data is based on place of service (where the surgery is performed) and is reported quarterly.

## Source

Surgical Access Registry

## **Notes**

This indicator does not include emergency surgeries. Source data is from the Provincial Surgical Access Registry
