### About

This indicator is the percentage of students in grades 4 and 5 who reported they have been bullied by use of physical attacks (for example, getting beaten up, pushed, or kicked) in the last two months [among those who have been bullied].

### Source

Department of Education and Early Childhood Development

### Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: In the last two months, have you been bullied at school in the ways listed below? a) Physical attacks (for example, getting beaten up, pushed, or kicked)

### Notes

This indicator is based on a survey question for students in New Brunswick's Anglophone schools. Survey results are only available for the Anglophone sector and Anglophone school districts.
