About

This indicator is the percentage of students in grades 4 and 5 who reported they have been bullied by use of verbal attacks (for example, being called mean names, made fun of or teased in a hurtful way, threatened, or having lies told or rumours spread about them) in the last two months [among those who have been bullied].

Source

Department of Education and Early Childhood Development

Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: In the last two months, have you been bullied at school in the ways listed below? b) Verbal attacks (for example, being called mean names, made fun of or teased in a hurtful way, threatened, or having lies told or rumours spread about you).

Notes

This indicator is based on a survey question for students in New Brunswick's Anglophone schools. Survey results are only available for the Anglophone sector and Anglophone school districts.
