## About

This indicator is the percentage of students in grades 4 and 5 who reported they have been bullied by someone making mean comments about their race, religion or personal features in the last two months [among those who have been bullied].

## Source

Department of Education and Early Childhood Development

## Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: In the last two months, have you been bullied at school in the ways listed below? f) Someone made mean comments about your race, religion or personal features.

## Notes

This indicator is based on a survey question for students in New Brunswick's Anglophone schools. Survey results are only available for the Anglophone sector and Anglophone school districts.
