Calculations

This indicator is calculated by dividing the number of respondents who answered "sort of true for me or really true for me" by the number of respondents who answered "really false for me, sort of false for me, sort of true for me or really true for me" to the question: We are interested in how things are going for you at school. For each item, choose what best describes your feelings and ideas this school year. f) I get to school late

Notes

This indicator is based on a survey question for students in New Brunswick's Anglophone schools. Survey results are only available for the Anglophone sector and Anglophone school districts.
