About

This indicator is the percentage of citizens in the general population who are registered with NB Health Link (and do not have a permanent family doctor or nurse practitioner).

Source

Primary Health Survey and Primary Care Survey

Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: Are you registered with NB Health Link that gives you access to consultations with a temporary family doctor or nurse practitioner?

Unit	NBHC code
%	PC_NODHI_2
