About

This indicator is the percentage of citizens without a primary care provider and not registered with NB Health Link who reported that they are currently on a wait list to be registered with a permanent family doctor or nurse practitioner.

Source

Primary Health Survey and Primary Care Survey

Calculations

This indicator is based on respondents who do not have a family doctor or nurse practitioner and who are not registered with NB Health Link. This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: Are you currently on a wait list to be registered with a permanent family doctor or nurse practitioner?

Notes

This indicator has been discontinued.
