About

This indicator is the percentage of citizens in the general population who are currently on a waiting list to be registered with a permanent family doctor or nurse practitioner.

Source

Primary Health Survey and Primary Care Survey

Calculations

This indicator is calculated by dividing the number of respondents who answered "yes" by the number of respondents who answered "yes or no" to the question: Are you currently on a wait list to be registered with a permanent family doctor or nurse practitioner?

Notes

This indicator has been discontinued.
